Introducing the

## Galaxy S9 | S9+

### The phone. Reimagined.

Today, business is more agile than ever.

People need to switch on anytime and anywhere.

To mix work and life seamlessly.

To constantly rethink and adapt.

So, to meet these ever-changing demands, Samsung have rethought the phone.

Samsung engineers, inventors and problem solvers have redesigned what's possible.

Samsung have reimagined what a phone can do, so you can reimagine where your business can go and how you get there.

### Security reimagined

Defence-grade Knox and biometric authentication lets you secure your phone and sensitive files in complete confidence, when you are on the go.

### Vision reimagined

Galaxy S9's camera adjusts like the human eye, capturing stunning images in bright light, low light and even super Slow-Mo, ensuring your business always looks professional.

### The office reimagined

Dual stereo speakers tuned by AKG make every conference call crystal clear and DeX technology allows you to turn your phone into a desktop experience, so whatever your surroundings, you can meet the day's demands.

### The working day reimagined

With Bixby, your new personal assistant, you can manage your day so you'll be able to perform at your best.
